

Continuous Odour Management System

Long refill life outperforms traditional Gel products

- Each refill delivers 60 days continuous fragrance and covers an area up to 6000 cu ft (168 cu m)

Consistent level of fragrance throughout refill life

- Delivers the same intensity of fragrance on Day 60 as Day 1

Size: H 135 x W 70 x D 64mm

Eliminates malodours

- Microtrans odour neutraliser breaks down and eliminates unpleasant odours

Simple 1-minute installation and trouble-free operation

- Noise-free dispenser, no moving parts

Discreet, decorative dispenser

- Ideal for many areas of use e.g. washrooms, conference rooms, lifts, office environment

The perfect environmental solution

- Pure fragrance and odour neutralisers
- No propellants
- No batteries or plug-in electrical source needed
- Recyclable refill components

TCell - Power innovation, no batteries required

Each refill cartridge contains a small power cell that uses innovative TCell technology to precisely administer minute doses of pure fragrance. All refill components are recyclable.

Five high quality, high impact fragrances preferred by consumers

- Reinforce the high standard of room cleanliness and create a comfortable environment

CITRUS Crystal Breeze – Fresh, clean herbal fragrance dominated by Eucalyptus, combined with softer notes of rosemary, amber and precious woods

FOREST ZONE Blue Splash – Watery marine notes blended with bergamot and rosemary

EARTH Polar Mist – a blend of lavender and wild mint

FLORAL Wakening Spring – a fresh floral with woody notes of sandal and cedar added with amber and musks to bring out the fullness of the fragrance

FRUIT Citrus – A fresh lively and zesty orange fragrance with notes of grapefruit and green lemon
